With reference to the above states that it is ascertained that Mr. C.T. Hanumanthiah referred to above was a fieldman in the Agricultural dept & that there is not reliable information whether he was dismissed or resigned Govt Service.

5 From the reports of the Director of Agriculture & the D.C. Tumkur it is clear that Mr C.T. Hanumanthiah who has been returned to the R.A is a dismissed fieldman of the Agricultural dept.

6 The declaration form in respect of Mr Hanumanthiah which was informally got from the Sangha is not also in the prescribed form & as required therein, he has not made a declaration to the effect that he is not subject to any of the disqualifications

Under the rules, a dis-missed Govt Servant is not eligible to be a member of the R.A for a period of ten years from the date of dismissal. In the present Case, Mr. Hanumanthiah is reported to have been dis-missed from Govt Service in may 1930.

(3) The points that arise for consideration are :-

(1) whether the Sangha may be asked to hold a fresh election for the purpose;

&(2) whether the Sangha may be dis-entitled on the ground of having returned a dis-missed Govt Servant to the R.A contrary to rules.

(4) As regards point (2), it is submitted that the privilege of representation given to an association is liable to be revoked during the term of an Assembly if the association infringes any of the conditions of recognition (para 13(2) of the R.A. Manual). In fact, this association had been expressly asked to Conduct the election according to Govt rules as in the R.A. Manual. It is not known whether the office bearers of the Assn had any knowledge of the fact that Mr. Hanumanthiah, the Candidate in question, was a dis-missed Govt Servant. If on the other hand it

2. It has now been proved beyond doubt that Mr. C. J. Hammanthiah returned by the Adi Jambava Sangha is a discharged Overseer employed in the Agricultural Dept. He is not therefore eligible to become an R. A. member. This may be communicated to the Sangha. It does not seem necessary to ask the Sangha to return another member, as even without this, there will be 7 members representing the Depressed classes as against the guaranteed number of 6. The total number of seats allotted to minorities will also be 35 as one seat is now proposed to be given to the Rajakula community.
